FAMILY FUN

Monkey Baa Theatre Company presents

JOSEPHINE WANTS TO DANCE

SCHOOL
HOLIDAY
FUN!

Based on the book by Jackie French and Bruce Whatley.

A STORY ABOUT DREAMS, BELIEVING IN YOURSELF... AND A DANCING KANGAROO!

Josephine is a kangaroo - who loves to dance. Her little brother, Joey, tells her that kangaroos don't dance, they hop - but Josephine continues to point her toes and leap through the air.

When a ballet troupe comes to the sleepy town of Shaggy Gully Josephine learns that there is another way to dance - ballet. As the ballet company prepares to perform, Josephine sneaks into town to peer through the window as the dancers rehearse, watching for hours and hours as they perfect their routine. Then Josephine goes home and practices all night, all alone, until she knows the dance by heart. She spun, she swirled and pirouetted dreams... And at the end she always curtsied. She desperately wanted to dance like the ballerinas in pink tutus and silk ballet shoes!

On the day of the first performance the ballet company was in trouble: the prima ballerina twisted her ankle and the understudy had a splinter in her toe!

Who could dance the lead role? Who else could leap that high? Josephine's talents are called upon to help save the day. Can she do it, and more importantly, does it matter that she's a kangaroo?

A delightfully funny tale that looks at the importance of believing in yourself and realising your dreams.
